THE PERFORMANCE HORSE SOURCE

Featuring Sugar Bars, Leo, Flit Bar & Driftwood genetics!

2020 SD High School Rodeo ... Jimmie Hunt on Playboy Cisco, OBRR- bred gelding (Two Timin Freckles x PC Cisco Frost) ... horses bred like this sell!

Open Box Rafter Ranch's focus has been to produce the performance horse kind ... this has allowed our family to enjoy work on the ranch horseback, and to compete in the arena.

We have concentrated on the classic bloodlines that were proven in the past and still work today ... mainly Joe Reed, Three Bars, Driftwood, Hancock and King with the early emphasis on their sons Leo, Sugar Bars, Driftwood Ike, Laughing Boy, and now descended to Flit Bar, Colonel Freckles, Orphan Drift, John Red. The foundation cowhorse bloodlines with their good minds and savvy have been important here as well as breeding for speed with sound legs, conformation and ability.

The good stallions we've used have proven their worth as top sires, but our greatest effort has been to build a solid band of high quality, strong, balanced broodmares. The old cowboy's theory of genetics says ... "75% of a colt's traits come from the mare," and "Good horses, like good men, have good mothers." That's the foundation for building our program.

WELCOME

Dear Friends,

Welcome to our 2020 annual family event, the production horse sale. Sure a unique year for all of us, isn't it? Covid-19, election year, lots of unknowns, but we do know that God has its under control, and never fails to meet our daily needs!

We are so blessed as a family to be growing in age and number! Tom & Sage stay busy, really busy, with the two sets of twins... Rebecca and Elizabeth are almost three; Hannah and Jack just turned one, and Oh My, do they ever keep Papa and Nana entertained!

Jessica will finish her Surgical Technology study this year. She is home often to help at the ranch, and while in Rapid City for classes, she stays with Joni's folks, Keith and Bunny Berry, and helps out there. We're so thankful for her!

Justin & Erica have been hitched for one year, and Erica is just now getting ole Justin lined out! We love and appreciate them both. Justin is close to finishing his aviation degree, is now in a twin engine plane; should be certified soon. Erica teaches at a Christian school near their home in Brookings.

Josh is back at Sunshine Bible Academy as maintenance man, assistant boy's dorm counselor and assistant coach for football and wrestling. He comes back to help on the ranches whenever he can; thanks Josh!

Jordan is on the west coast of Oregon, serving as Dean of Men at Ecola Bible School. We're thankful for his heart to serve others.

Jeb is on the ranch and does it all. He will head to Texas shortly after the sale for an apprenticeship as a farrier, with family friend and former neighbor, Lee Olsen. We will miss him!

Jimmie Jean... Wow! She is in her final year of High School - a senior! She attends Rapid City Christian and is guided by and stays with grandparents Keith & Bunny. We are so grateful for them and their open home.

Dad Geno is with Joni and I here at the ranch. We treasure every day, even the cranky ones! Dad looks forward to having folks stop to visit, especially if they will play pitch, pinochle or cribbage.

We are blessed with a wonderful set of foals again this year. It's a privilege to share them in the offering. Different kind of year, but our focus and desire to make good horses is the same!

Come join us for our annual event in Rapid City! We always look forward to reuniting with friends and customers! We will carry it online as well, but nothing is better than the real thing. Hope to see ya on the 12th of September!

Blessings, Jim

Firewater Time is a smooth, easy moving, golden buckskin, 25% Sugar Bars stallion out of our exceptional mare Gabriella My Sweet and Fire Water Flit. The late, great Fire Water Flit was ROM Race and AA, and sired World Champions in barrels and roping, plus NFR qualifiers including Kelly Yates' great mare Firewater Fiesta. Flit Bar has sired many NFR qualifiers and exceptional performers who also became good sires themselves, including Fire Water Flit, Dr Nick Bar and Flit Bar Beggar. Granddam Slash J Harletta was a World Champion Barrel Horse and produced NFR qualifiers, futurity and derby winners. Firewater Time's offspring are smart, keen, quick athletes and are winning in barrels, roping, ranch, including Sonora Firewater, BBR World Barrel Racing Gold Open 1D Champion. 5 Panel N/N.

We regret to announce the passing of Firewater Time in May 2020. He was foaled here on the ranch in 2002, and has sired a good number of excellent quarter horses including six daughters and one son OBRR has retained for the breeding program. He will be missed!

"Cisco" stamps his colts with his conformation, class, color, and chrome. His sire, World Champion Sire Sun Frost, has sired earners of over \$3.5 million, 37 AQHA point earners and was known as a cutting horse sire before his offspring hit the rodeo arenas. Cisco is a brother to influential sires Frenchmans Guy, PC Frenchmans HayDay, Dad's own PC Sun Socks and others; and to, ProRodeo Hall of Fame barrel horse French Flash Hawk "Bozo". Driftwood, Super Charge, Jet Deck and Azure Te round out a terrific performance pedigree; he carries four crosses to legendary sire Three Bars. His dam New Sovereign traces three times to the great Thoroughbred sire Nasrullah, who is the grandsire of Azure Te, Sovereign and the legendary Secretariat. Plenty of speed blood in his background, but he has the level head of a cow horse and the hip and good bone of a rope horse. Cisco is easy to handle and ride, and his colts are smart and good to halter break, willing and trainable. He has sired AQHA Performance Register of Merit and his offspring have excelled at steer wrestling, roping, barrels, ranch horse and in the show pen. We have retained a son and 12 daughters for our breeding program.
