 QUARTER HORSES

**THE PERFORMANCE HORSE SOURCE**

Featuring Sugar Bars, Leo, Flit Bar & Driftwood genetics!

Open Box Rafter Ranch's focus has been to produce the performance horse kind ... this has allowed our family to enjoy ranch work on horseback, and to compete in the arena.

We've concentrated on the classic bloodlines that were proven in the past and still work today ... mainly Joe Reed, Three Bars, Driftwood, Hancock and King with the early emphasis on their sons Leo, Sugar Bars, Driftwood Ike, Laughing Boy, and now descended to Flit Bar, Colonel Freckles, Orphan Drift and John Red. The foundation cowhorse bloodlines with their good minds and savvy have been important here as well as breeding for speed with sound legs, conformation and ability.

The good stallions we've used have proven their worth as top sires, but our greatest effort has been to build a solid band of high quality, strong, balanced broodmares. The old cowboy's theory of genetics says ... "75% of a colt's traits come from the mare," and "Good horses, like good men, have good mothers." That's our program's foundation!

# AMERICAN QUARTER HORSE ASSOCIATION

Most of our family was able to attend Jim's induction as AQHA President: (l to r) Jim, Josh, Tom, Joni, Justin, Jessica, Jordan, Jordan's wife Grace, Jimmie and Jeb.

Hello Friends,

Yes, 30 years ago Joni, four little children, and myself pulled into Rapid City with 45 head of registered American Quarter Horses, and put that first Open Box Rafter Ranch offering on display at the Fairgrounds. We ventured out on our own, following in the footsteps of family & friends in Lopez - Hunt - Meyer production sales ... so grateful for them ... and, look at us now! Seven children, six grandchildren, world-class renowned guest consignors, the Frenchmans Foundation, as well as other family members and neighbors offering the highest of quality in performance horse genetics.

In the last five years, I've had the privilege of serving the AQHA. This is my fifth year on the Executive Committee, my presidential year. My job? To be an ambassador for the American Quarter Horse. What a journey, and I only hope that I have honored the memory of my parents and grandparents and all of their contributions to the Quarter Horse industry. Our grandkids will be the sixth generation ranching and raising horses. Now a little about the family...

**Tom & Sage** and their five little ones are on Dad & Mother's place, raising their busy little family and good Angus cattle. Never dull at their house!

**Jessica** is committed to helping manage the ranch for Joni and I while representing AQHA. She is also very involved in church, Sunday School and music. So thankful for her!

**Justin, Erica and Juniper Hope** are in Rapid City, where he is full-time Army National Guard working on helicopters. He tries to squeeze in some fixed wing flying also. Erica is part time at Hewitt Land Co., and full-time mama to Junie!

**Josh** also committed to stay at the home ranch, and runs the show! Works the livestock, keeps stuff running, hay put up, and is called to preach quite often, filling pulpits. He's a blessing!

**Jordan** just moved his wife, **Dr. Grace Hunt** to Ocala, FL to do a year of Equine Sports Medicine residency, while he is deployed for a year to Eastern Europe for Army duty. We miss them!

**Jeb** continues his farrier occupation in Texas, employed by Olsen Equine, but thankfully does get home from time to time to help with the horse sale, shipping cattle, branding, etc.

Our baby girl, **Jimmie Jean**, will continue as dorm counselor at Bible college in Kauai, Hawaii. Yes, I'm nervous about her bringing home a surfer or beach bum! No, seriously, she feels she is where God is using her gifts and talents for the present time.

My travels have been many, and my experiences so rewarding. Germany, Canada, Mexico, and all over the US, but most rewarding is meeting good people and great horses wherever I go! I also try to stay involved with my South Dakota folks: SDQHA, Black Hills Stock Show board, and deacon for our church family. So thankful for opportunities to serve.

Love my grandkids! They love me too, course I always have a drawer full of suckers, and they know where it is!

## WELCOME TO OUR 31<sup>ST</sup> ANNUAL PRODUCTION SALE!

They're still all smiles after a long day at the horse sale ... Tom, Sage and their crew: (l to r) Rebecca, Hannah, Eloise, Jack & Elizabeth

And, we are so thankful for John, Lis and Val in our lives, and of course, John and Sue, and DD, and dear friends Harold and Debbie Delbridge and Steve and Teri Kezar ... some great partners!

Come check out the sale offering, meet the family, and enjoy our 31<sup>st</sup> event! Church on Sunday morning to follow, love to have ya! Lots to pray for, lots to be thankful for!

Blessings, Jim Hunt

Justin and Erica with their daughter Juniper Hope!

Correct, easy-moving stallion with good mind and bone. His sire, Dash Ta Fame, is a Leading Sire of barrel horses and race horses. His dam had a lot of success in the barrel racing arena. Casey is smart, strong and smooth with terrific disposition. Steve & Kathy Thornton did a great job starting him in Texas, and report he is exceptional! The same account comes from Laura Smith Wells, who patterned him on barrels, poles, roping; and from Emilee Pauley, who is starting to haul him to some barrel races and ropings. She calved heifers on him this spring, and dragged a lot of calves to the fire at local brandings. He's got a great mind to go along with his athletic ability, and we are very excited about this outcross for our program, and for how good his foals are! 6 Panel N/N.

Missy has been consistently running barrels since her futurity year and is now on the road towards her 7th NFR. She has won over \$1.1 Million and still willingly walks flat footed down the alley at Thomas and Mack. She just won her second consecutive NFR Open Championship. Missy is amazing. She is sound and gives her best in every run. Absolut Frenchman has the same kind, willing demeanor as Missy. He can get on his belly like a cowhorse, turn on a dime and has the speed of a running horse. This stylish colt is special. He has presence, personality and charisma. Sire Firewater Frenchman, now deceased, does not stand to outside mares so it is difficult to find one being offered. Firewater Frenchman has not sired a lot of foals, but they have been impressive including a six-time NFR Qualifier and an AQHA Open Champion in multiple events. Dam Mean to Me passes her beauty and class to all of her offspring. She is a daughter of racing greats Corona Cartel and the All American winner Strawberry Silk. We think so much of Mean to Me, now deceased, that we have son One Swift Eagle as a program stallion. This colt is stallion quality.

Smart, athletic colt that learns quickly and retains his lessons. Bred to run, but is gentle and a people pleaser. Colts by JL Dash Ta Heaven are sought after, as they are winning at all levels ... futurity, derby, pro rodeo and NFR. This colt's maternal side brings the genetics of Stoli, a champion race horse and leading barrel horse sire, plus Special Effort, the only Quarter Horse to win the Triple Crown of Quarter Horse Racing, and the AQHA Hall of Fame mare Casey's Ladylove. Casey's Ladylove is the cornerstone of the maternal line that produced Frenchmans Guy, Frenchmans Fabulous, PC Frenchmans Hayday and Fiery Miss West. We believe a strong mare line produces world class stallions and elite broodmares. This colt will have size and attitude to go in any direction.

JL Dash Ta Heaven, a NFR competitor himself, has sired multiple NFR horses. Dam Frenchmans Go Shakem is a daughter of Royal Shake Em, who also sired the dam of DM Sissys Hayday "Sister," Hailey Kinsel's \$2 Million earning barrel mare.
