THE PERFORMANCE HORSE SOURCE

Featuring Flit Bar, Sugar Bars,
Leo & Driftwood genetics!

Open Box Rafter Ranch's focus has been to produce the performance horse kind ... this has allowed our family to enjoy ranch work on horseback, and to compete in the arena.

We've concentrated on the classic bloodlines that were proven in the past and still work today ... mainly Joe Reed, Three Bars, Driftwood, Hancock and King with the early emphasis on their sons Leo, Sugar Bars, Driftwood Ike, Laughing Boy, and now descended to Flit Bar, Colonel Freckles, Orphan Drift and John Red. The foundation cowhorse bloodlines with their good minds and savvy have been important here as well as breeding for speed with sound legs, conformation and ability.

The good stallions we've used have proven their worth as top sires, but our greatest effort has been to build a solid band of high quality, strong, balanced broodmares. The old cowboy's theory of genetics says ... "75% of a colt's traits come from the mare," and "Good horses, like good men, have good mothers." That's our program's foundation!

WELCOME

Family, Friends and Fellow Horsemen,

Welcome to our 33rd Annual Production Sale. Each year brings all of us challenges & many blessings. Let's be thankful for all our blessings. 250 years we celebrate this great nation! And "Year of the Horse" has been designated by AQHA to commemorate the importance of this gift from God of the horse to be stewards of. More important even than our horse, is of course our families. Joni and I are grateful for the blessings God has sent to our lives: grace, mercy, family, friends and yes, horses we so enjoy.

Tom & Sage continue to carry on ranching tradition raising their 5 children on a horse and behind a cow. Of course, gotta gather the eggs, milk the cow, weed the garden first! Love it when they come to visit!

Jessica continues to pursue her medical career in Lincoln, Nebraska as a surgical technician. She comes home when she can, and she always is a welcome sight!

Justin & Erica stay busy and enjoy parenthood with Junie and Lanie consuming most of their time and energy! Justin stays active in National Guard and took on a property management position in Rapid City.

Josh made a move to Virginia last fall to broaden his horizons, and is engaged in construction and ministry with friends there, enjoying the different scenery and surroundings. We always look forward to having him home!

Jordan was sworn in as a deputy sheriff in Ft Collins, CO where our daughter-in-law Grace continues her commitment to CSU as an equine vet specializing in Rehab. Jordan is still active in his National Guard unit as well. Happy to have them closer to home!

Jeb continues his farrier career in Texas, and is so good to return home to help catch up on ranch duties, like catching colts, when he's able. So thankful for him!

Jimmie Jean is bringing a new member to our family! Sam Vande Kamp and Jimmie Jean will be united as one in October here in South Dakota. They will begin their path together in Colorado where Sam will manage a wood milling operation. They both are involved in youth ministry and will continue wherever God directs. And Sam likes horses!

Joni, Keith, Bunny & I hold down the fort and look forward to seeing the kids and grandkids whenever we can!

We have been blessed with having Kyler Carmichael be with us this last year, and now congratulate him and his new bride KyAnne as they have tied the knot this last month. Kyler is an incredible hand and we look forward to see what God has in store for his new family.

Also we are so thankful for David Rodriguez for his steadfast help feeding and caring for the stock and headquarters.

We are excited to bring an outstanding set of horses to the sale. A sincere thanks to all of you for continued friendship and hope to see you on September 12 for the Horse Sale, and invite all to Cowboy Church on the 13th. The family will all be there, come be with us!

Blessings, Jim Hunt

Happy 250th Birthday, United States of America! Jim and Joni at the Shrine of Democracy in the Black Hills of South Dakota.

Keith celebrating his 90th birthday by taking flowers to Bunny in the hospital!

John & Sue Kaiser, cousin and horse sale partners... Thanks, John and Sue, for all you do!

Correct, easy-moving stallion with good mind and bone. His sire, Dash Ta Fame, is a Leading Sire of barrel horses and race horses. His dam had a lot of success in the barrel racing arena. Casey is smart, strong and smooth with a terrific disposition. Laura Smith Wells patterned him on barrels, poles, roping; she reported him exceptional, easy to handle and train with tons of ability. The same report from Emilee Pauley, who calved heifers and dragged calves on him at several brandings last spring, and hauled him to just a few barrel races, but placed a bit and impressed us all with his great mind and natural ability. We are very excited about this outcross for our program, and for how good his foals are! 6 panel N/N.
